

FOR SALE

Four adjoining LEASES

North of Yalgoo, western Australia

An opportunity exists for a fast acting investor to acquire this prospective package of four adjoining leases, two Mining Leases and two Prospecting Leases, held by current holder for 20 years, 20kms north of Yalgoo in Western Australia. There has been no modern exploration conducted and no drilling of prospective targets. The upside potential now belongs to the next holder. Some details from the current holder:

- Surface gold by dry blowing approx 5000t yielding up to 10gpt
- Gold is fine
- Gold shows in old water courses
- Historic mine (St Michael's) on one lease not worked since owners went to fight in WW1, has a 3 stamp battery
- No drilling
- A number of historic mines in the area incorporated
- Copper shows
- Scheelite has been mined

Do not miss this opportunity.

Call Jim Andrusiak from Mining Tenements in Perth on +618-92996985 or 0419 910443 for further details and to make an offer.
